LOCATION

10 Bonhill Street is prominently located at the eastern end of Bonhill Street close to the junction of Paul Street. The attractive building is in a vibrant area, where the City meets Shoreditch with a variety of creative and TMT local occupiers in the vicinity.

The property benefits from excellent transport links with Old Street (Northern line), Moorgate (Northern & Circle lines) and Liverpool Street (Network Rail and Underground - Northern, Circle, District and Hammersmith & City, Central Lines) all within easy walking distance.

Transport links will see further improvement with the opening of the Elizabeth Line (Crossrail) at Moorgate and Liverpool Street.

DESCRIPTION

10 Bonhill Street is an attractive 1930's former warehouse building constructed over lower ground, ground and 1st to 3rd floors. The property provides stylish, regularly shaped column free, rectangular open plan offices on the upper floors, each floor with one office/meeting room.

The ground and lower ground floors are designed to interlink in a "duplex" style and provide a mixture

of reception/break out and meeting room space that would appeal to a wide variety of media, tech, or creative companies.

A new lift is being installed and the accommodation will be redecorated or an allowance agreed between parties. The accommodation is otherwise "plug and play" and offers highly stylish "cool" space.
